Northwestern University School of Professional Studies, 2018
Certificate in Full Stack Web Development

University of Wisconsin, Madison, 2015
Bachelor of Business Administration, Finance

PROFESSIONAL EXPERIENCE

US Bank, 2015-2017
Structured Finance Analyst

- Built and maintained Mortgage-Backed Security distribution models to generate reports summarizing principal and interest cash flows
- Interpreted and analyzed contract agreements to ensure accuracy of payment structures
- Worked independently, as well as across many small teams, to reach monthly payment deadlines

PROJECTS

BuzzFood
Quiz Application

- A quiz where users can answer a series of 10 questions relating to his/her cooking abilities and habits. Based on the responses, this app will return a suggestion of what they should make for dinner
- Sole Developer
- https://buzzfoodapp.herokuapp.com/

SpotYourShow
Web Application

- This application allows users to find upcoming concerts for the artists they follow on Spotify. They can then choose to filter shows by location and purchase tickets to those shows through Ticketmaster
- Collaborated with two teammates
- https://codisteinborn.github.io/Concert App/
